“Lait Démaquillant” Make-up removing milk

Nourishing and non greasy make-up removing milk made from whole fruits. Cleanses and eliminates all impurities with one wipe, leaving skin purified, soft and supple. Decongesting and stimulating, it imparts a sensation of “well-being”. The addition of **Aloe Vera** further enriches this milk.

Directions:

With the aid of a cotton ball, apply in light circular motions to areas that require make-up removal or cleaning.

“Lotion Tonique” Toning Lotion

Constructed from a vegetable extract base, **without alcohol**, NaturCare Toning Lotion has a stimulating and softening action on the skin and leaves a nice sensation of freshness and “well-being”. The addition of **Aloe Vera** further enriches this lotion.

Directions:

Apply to skin with a pre moistened make-up remover pad.

“Crème de Jour” 2 Day Creams

Day Cream for Normal Skin

A non greasy day cream especially formulated for normal skin, with **Peach and Apricot Milk** and the added enrichment of **Aloe Vera**.

Day Cream for Mature Skin

A rich and nourishing cream formulated to especially hydrate mature and dry skin in a base of **Grape Seed Oil and Apricot Milk. Enriched with Aloe Vera.**

“Crème de Nuit” Night Cream

An extra hydrating cream reinforced by the addition of fruits and vitamins to assist the skin's rejuvenation. Formulated in a base of **Kiwi Fruit enriched with Aloe Vera.**

“Sérum Anti-âge” Anti Ageing Serum

This is a rejuvenating treatment for the skin and is suitable for all skin types.

Particularly beneficial for mature skins this serum is highly regenerative, nourishing and hydrating. The skin will be firmer, toned and smooth with an enhanced luminosity. The combination of **Melon Pulp, Wheat Proteins, hydrating agents and vitamins plus the enrichment of Aloe Vera** contained in this serum, provides remarkable anti-ageing properties to help fight the appearance of wrinkles.

Directions:

Use before make-up during the day and in the evening before retiring.

“Sérum Contour des Yeux” Eye Serum

This serum helps to restore the firmness and youthful appearance around the sensitive eye area.

Ultra light and fast penetrating, this gel can be used at any time.

Highly regenerative, nourishing and moisturising, it reinforces and restructures the delicate area around the eyes.

Contains **Melon Pulp** enriched with **Aloe Vera** and the richness of the hydrating agents gives remarkable properties to lighten and tone the eye area and provide comfort and suppleness.

Directions

Apply morning and evening using finger tips to gently apply in a clockwise direction under and over the delicate eye area without pulling the skin.
